

The following pages are the forms for financial assistance from the  
*Baptist Men of the North Central Association.*

Please read page two carefully regarding the qualifications. Applicants from the NCA are given priority consideration but any student who is a member of a North American Baptist Church will be considered. It is necessary to have application in by July 15<sup>th</sup> so that the Scholarship Committee can meet early enough for students to qualify for matching grants that might be available for the school they are attending. These forms are available on [www.npreigion.org](http://www.npreigion.org) or from the email address given below.

Thank You.

Financial Assistance Application Form

*Please Read the Following Policy and Guidelines*

1. The fund shall be for the purpose of aiding students who hold membership in a Church of the North Central Association at the time of their enrollment in one of the schools outlined herein, and are preparing for full time or lay Christian service. In the event that there are no North Central Association students who, in the opinion of the committee, require financial assistance, the committee may, at it's discretion, aid students who are members of churches affiliated with the North American Baptist Conference.
2. A student applying for money from this fund must be enrolled or accepted as a student in the North American Baptist Seminary, Sioux Falls; North American Baptist College, Edmonton, Alberta; other comparable Christian colleges or seminaries, or a high school junior or senior, A college freshman or sophomore, who are seeking financial assistance to attend triennial conference, providing funds are available. An applicant attending any other institution shall forward a copy of the school catalog and student police guidelines for committee review.
3. A student applying for funds must submit in writing his or her purpose for requesting funds, and such other information as the committee may request.
4. Funds may be available to the applicant's school upon the enrollment of the applicant at the school. The treasurer, prior to disbursement of funds, must receive notice of the applicant's enrollment. Disbursement will be in the name of the school and the applicant.
5. The committee may decide, upon the merit of the application, the amount to be given to the students during the school year; based upon the existing needs, the home church's recommendation and participation, and the circumstances, on an annual basis. The committee will then give first consideration to applications from students enrolled in a degree program at a seminary or Bible college. The committee will then consider applications from students enrolled in a Biblical certificate or diploma program who are preparing for the lay-ministry. The committee will finally consider an application from a university or college junior or senior who is pre-enrolled at seminary. A copy of seminary pre-enrollment acceptance must accompany this application
6. **A letter of recommendation shall be forwarded to the Men's Brotherhood secretary from the sponsoring Church Deacon board on behalf of the applicant.**
7. The financial assistance committee would suggest that in the event the applicant does not continue in full time Christian service, that the applicant would consider reimbursing the financial assistance fund.
8. **The cut off date for applications being accepted is July 15<sup>th</sup>.** Any application received after this date will not be considered for the current school year if applications were received prior to July 15<sup>th</sup>.
